Secretariat

Shigetaka ASANO (Head)

Yoshikatsu ETO (Vice)

Yoshiro NIITSU (Vice)

Dear Erin,

Thank you for the official letter to promote worldwide gene therapy society. I will up-load the letter to the website of JSGT and push the member to join the coming ASGCT meeting. I will also inform the member of the late submission of abstract.

Our JSGT annual meeting will be held during June 28th to 30th in Kumamoto-prefecture. The president is Dr. Fumio Endo.

We have invited the president of ASGCT and ESGCT every year.

This year, we also invite both presidents to the JSGT annual meeting.

We are also making efforts to establish Asian network for gene therapy.

I hope that we will meet together and make fruitful discussion to promote gene therapy in the world.

Sincerely,

Yasufumi Kaneda

Chairman of the board of directors of JSGT

Professor and Deputy dean

Graduate School of Medicine

Osaka University

Suita, Osaka 565-0871, JAPAN.
